Dedicated to Peace

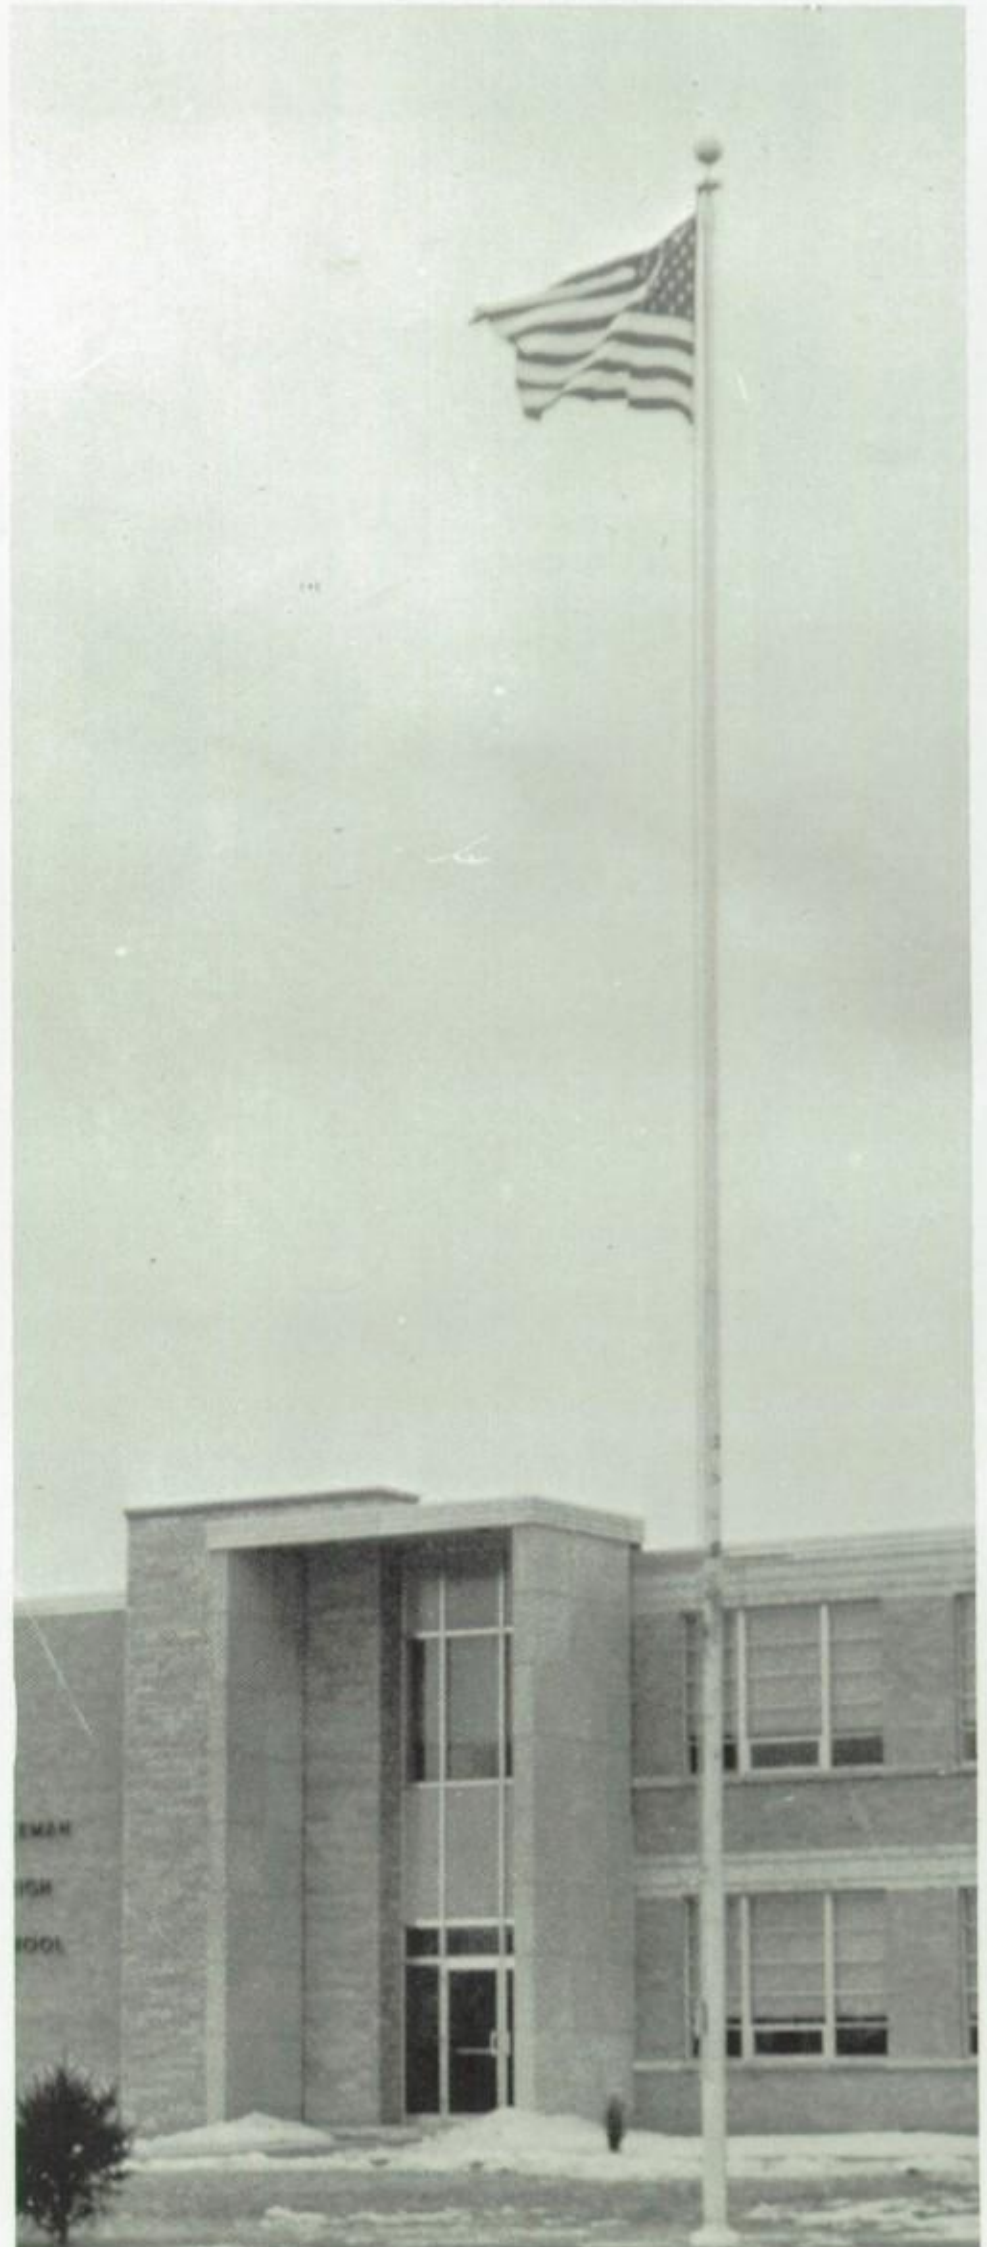

We were accustomed to think of peace as the normal condition of man, and of war as the unwanted interruption. But, unfortunately, in that day, the situation was often reversed, and we were forced to recognize wars and threats of wars as the more frequently occurring condition.

That year had been filled with major conflicts in Cyprus, the Middle East, Korea, and Vietnam. Even our own country had been plagued with civil disorder.

Avoiding war was now a matter of survival, yet a satisfactory manner of avoiding it was not yet to be found. Looking around the world, it was sometimes difficult to have any hope that the human race as a whole could continue to survive. Yet, fortunately, the darkest hour is but sixty minutes. With all its shams, drudgery, and broken dreams, it can still be a beautiful world, for each person harbors within himself a basic desire to live in harmony with his fellow man.

You, the members of this generation, were the future leaders of the world. You, the members of this generation, will determine whether we will choose the road of destruction or of peace. It was our sincere hope you will choose the latter.

For these reasons we, the yearbook staff, would like to dedicate the 1968 Les Adieux to PEACE.

Faculty

MR. REIMER: Superintendent

MR. WALKER: Principal

Administration and School Board

The administration is the personnel who guide the school, making decisions with the best interests of the students in mind.

Mr. Reimer held a B. S. degree and graduated from St. Norbert College. He has been with the school a number of years, teaching English and holding the office of principal. This year he has succeeded Mr. James Kavanaugh as Superintendent.

Stepping up to fill the office of principal this year was Mr. Walker, who also has been at Coleman many years as agriculture teacher. He held a B. S. degree and attended the Wisconsin State University at Platteville.

These two men strive to better the qualities of education in this time when it is a necessity to achieve success.

Members of the Board of Jt. District No. 1 are: Rene Durocher, Mrs. B. A. Robinette, Boyd Rymer, John Holley, Lawrence Woulf, Lawrence Bittner, and Ronald Anders.

The Faces in Front of the Rooms

Agriculture, biology and F.F.A. went through an enjoyable and interesting year with Mr. Krenek, teacher and advisor. He attended Wisconsin State University at Platteville and held a B.S. degree.

Art was taught by Mr. Kosnar, who held a B.S. degree from Wisconsin State University at Eau Claire. He was also advisor of the Art Club.

The commercial department, which includes typing, Shorthand I and II, office practice, general business, and bookkeeping, was headed by Mr. Hosking and Mr. Raymond.

Mr. Hosking held a B.S. degree from Northern Michigan University. He was advisor to the Chronicler.

Mr. Raymond held a B.S. and B.A. degree in business education from Northern Michigan University. He also was advisor to the Chronicler and Junior Prom.

LANGUAGE DEPARTMENT

Mrs. Kavanaugh

Mrs. Stephenson

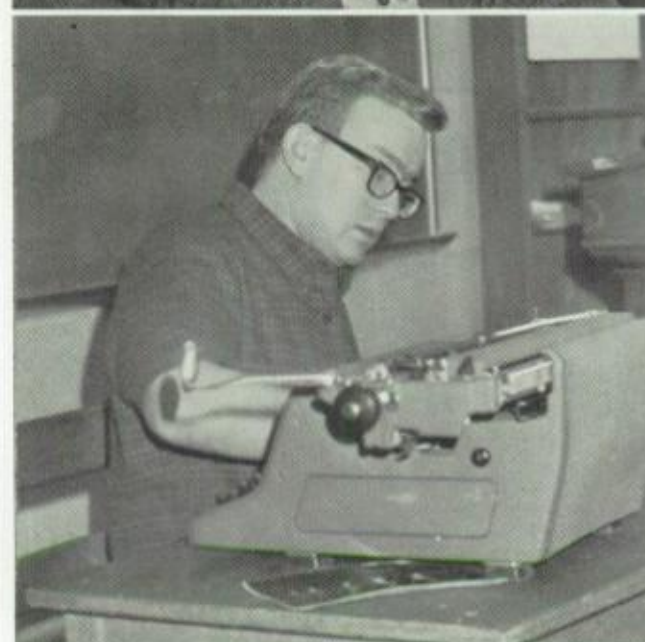

Mrs. Valenti

Mrs. Weed

Mr. Young

Mr. Ritter

The Language department, including German, was one of the largest in CHS. Besides teaching English, the department carried out a remedial reading program under the charge of Mrs. Weed which helped many students to improve their proficiency and speed in reading.

Mrs. Weed was a graduate of Oshkosh State University.

Mrs. Kavanaugh held a B. A. degree from Milton College.

Creative writing was taught by Mrs. Valenti, who held a B. S. degree from Wisconsin State University at Stevens Point. She was head librarian.

Mrs. Stephenson held a B. S. degree from Illinois State University. She was advisor to the Drama Club.

Mr. Young attended Wisconsin State University at Superior and held a B. S. degree. He was advisor to the Les Adieux.

The foreign language department was headed by Mr. Ritter who taught German I and II. Students learned grammar, folklore, and the cultures of Germany. He was head football coach and assistant wrestling coach.

INDUSTRIAL ARTS

Mr. Fiedorowicz

Mr. Rutten

The guidance department of CHS was headed by Mr. Stephenson who graduated from Illinois and held a M. S. degree. He was a man we could depend on.

Girls were taught home economics by Miss Zibell, a graduate of Stout University. She was the advisor of F. H. A. and Needlecraft. She was a very busy person.

Fun was the word in shop with Mr. Fiedorowicz. When you learned, you had fun. Mr. Fiedorowicz graduated with a M. A. degree from Denver University.

Mr. Rutten obtained his B. S. degree from Platteville. He was the instructor in metals, mechanics, and drafting.

Students were taught the A, B, and C's of mathematics from Mr. Meier. He graduated from Stevens Point and held a B. S. degree.

Instrumental music and chorus were the classes taught by Mr. Valenti, who was also advisor to the Pep Band. He attended school at Northern Michigan University, where he obtained a degree in music.

OFFICE STAFF

The office staff led a busy life. Mrs. Carlton kept the records in order as bookkeeper. The administration's aid was Mrs. Durocher.

Those who went to the office were greeted by Mrs. Sweningson, the office secretary.

Mrs. Patenaude, the assistant librarian, helped Mrs. Valenti to keep the books in order. Students could often find her checking out material or arranging the many shelves of books.

Students came to Mrs. Woulf, the school nurse, with their aches and pains.

It looked like another announcement.

Seniors

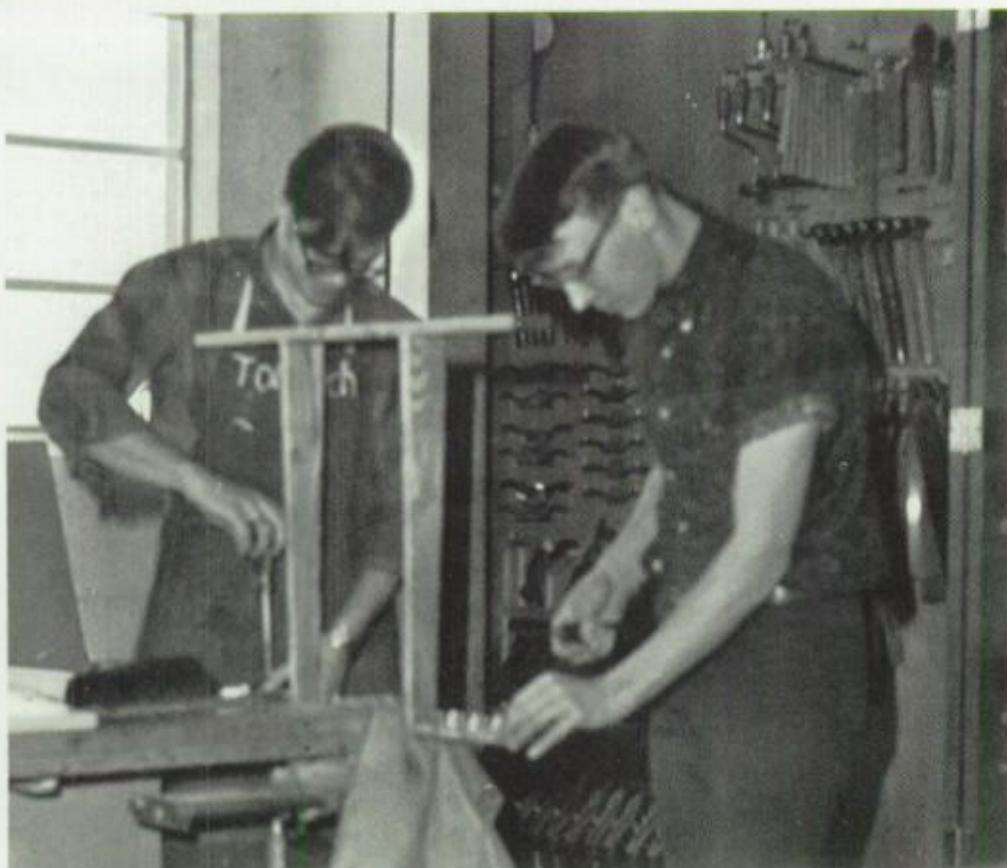

The Class of "68" is now parted and only exists as a memory. Old friends are forgotten and new friends will be made. Each Senior went on their way with the knowledge that he or she will get out of life only what they put into it. They're dedicated to go out into the world and make life a little warmer and brighter for someone less fortunate. For some, graduation was the last time they brighten the halls of CHS but Coleman High will never be forgotten by these dedicated students.

There is not one Senior who can say that they didn't get anything out of school. They learned how to be responsible through participating in athletics and class projects, their over-all view of the world was changed through their classes, they learned how to get along with their fellow man through clubs and organizations, but most important of all, they received the fundamental knowledge necessary for the future, along with being molded into a disciplined individual through their teachers.

"Remember the past, live for the present, strive for the future." was the class motto. The class flower was a white rose. Navy blue and white were the class colors.

The class is history, but they left an example that will never be forgotten by Seniors to come who will hope to follow in their footsteps. Good luck Seniors on your way to success and happiness!

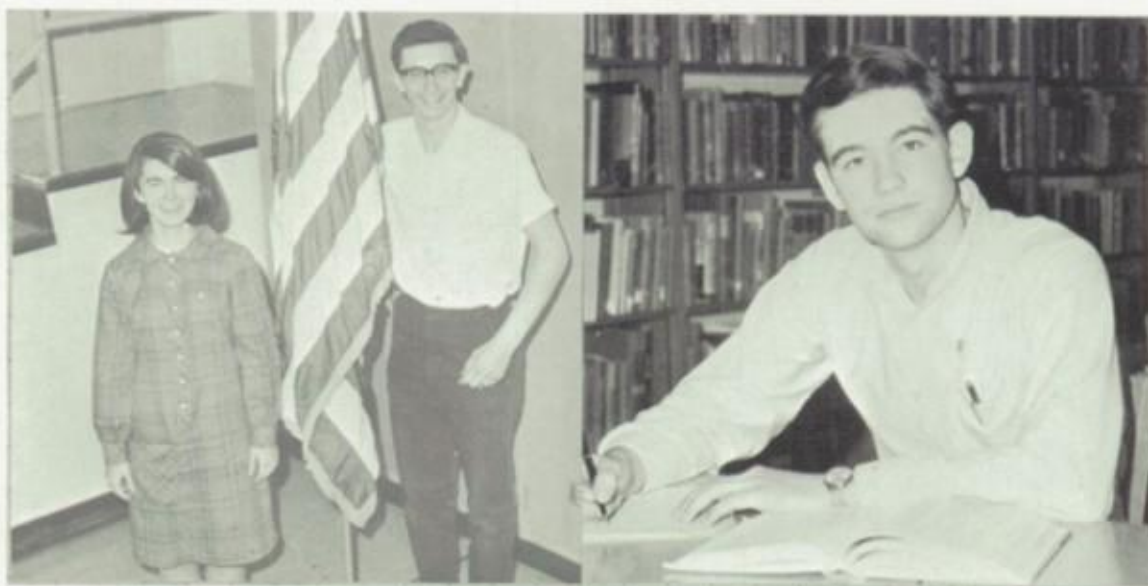

What concentration on the part of Seniors, Tom Rich and Wayne Loeffler.

Class officers were, Tom Prue, Pres.; Don VanDrisse, V. -Pres.; Margaret Krause, Sec.; Mary Ann Goddard, Treas.

Juniors Met the Standards at CHS

The Class of '69 started the year out with a "Bang" when they elected astute, able officers. They held the first record hop which got the students of C. H. S. off to a great start. October 28th was the annual Halloween dance which featured the "Pipers' Sons."

The big event on their minds was the Prom. The whole class put in a 101% overtime effort as they raised money for the gala affair. To assure that this would be the best Prom yet, responsible Juniors were selected to head the committees. It was evident that this Prom would be a big success.

Welcome to the Mark Kovensky Charm School!

The Midway Point Was Reached

The Sophomore class consisted of 105 students. They started the 1967 school year by electing officers. Their first big project was their band dance where everyone was entertained by the "Catalinas". A record hop followed in January.

The Sophomores' arousing spirit proved to be very helpful in the winning of the yell contest and mini-float parade.

The homecoming representatives for the class were Nina Goddard and Allen Seefeldt.

The advisors, Mr. Ritter, Mr. Valenti, and Mr. Blackburn did a super job in helping the Sophomore class to a successful year.

Freshmen Worked on School Spirit

I didn't do it!

An eager Freshman class burst through the doors of CHS in August. They soon became acquainted with one another and the rest of the student body by joining in all types of club activities and organizations. *They proved their worth as a spirited group when they wrapped the "V" for Homecoming. Vickie Krause was selected as their Homecoming representative.

Planning many activities on their own, the freshmen held a successful record-hop after a basketball game and a Valentine's Day dance featuring "The London Knights."

Under the watchful eyes of Mr. Rutten, Mr. Hafeman, Mr. Hosking, and Mr. Fiedorowicz, their advisors, the Freshman class looked to a promising high school career.

Jackson Square was depicted with a large flower bedecked gazebo, from which the orchestra played. Also in the Square was an authentic red pony-cart, which provided an appropriate background for couples to be photographed. Among the shops along colorful Bourbon Street were Dan's Pier 500 and the Old Absinthe House. Punch was served from the Casino Royale and a quaint French cafe. Next to the cafe, couples paused for a moment's reflection at the beauty of a sparkling fountain.

"Sounds of '67" was the 1967 Homecoming theme. The week was filled with all kinds of activities, with Friday being the official beginning of events. Everyone wore green and white and had the appropriate spirit for the occasion. The whole day was filled with one moment of excitement after another. During the big pep rally in the gym, a mini-parade and skits were displayed. Then the Senior and Junior girls led the spirited group onto the football field, to witness the first Powder Puff football game. The final score was 0-0. The bonfire and yell contest were held Friday night, with the Sophomores edging out the Seniors in the yell competition. The big moment arrived and everyone stood in awe as Mike Bader crowned Jane Swenty the 1967 Homecoming Queen. After the bonfire a record hop was held to keep the spirit alive until the big game Saturday afternoon.

Saturday's game was another story. Peshtigo carried the points home with them 13-0, but they failed to take our spirit away as a large number of spectators viewed the game in the pouring rain.

The "Fringe Benefits" provided music for the Homecoming Dance Saturday evening.

THE LINE-UP

John models his attire in a fashion show.

The purpose of "C" Club was to promote understanding and good will, and to support and improve the inter-scholastic athletic program at Coleman High. Under the able leadership of Tom Prue, the club operated a pop machine which was their main source of income. The money was used for the expenses accumulated when the Seniors took their annual trip to the state basketball tournament in Madison.

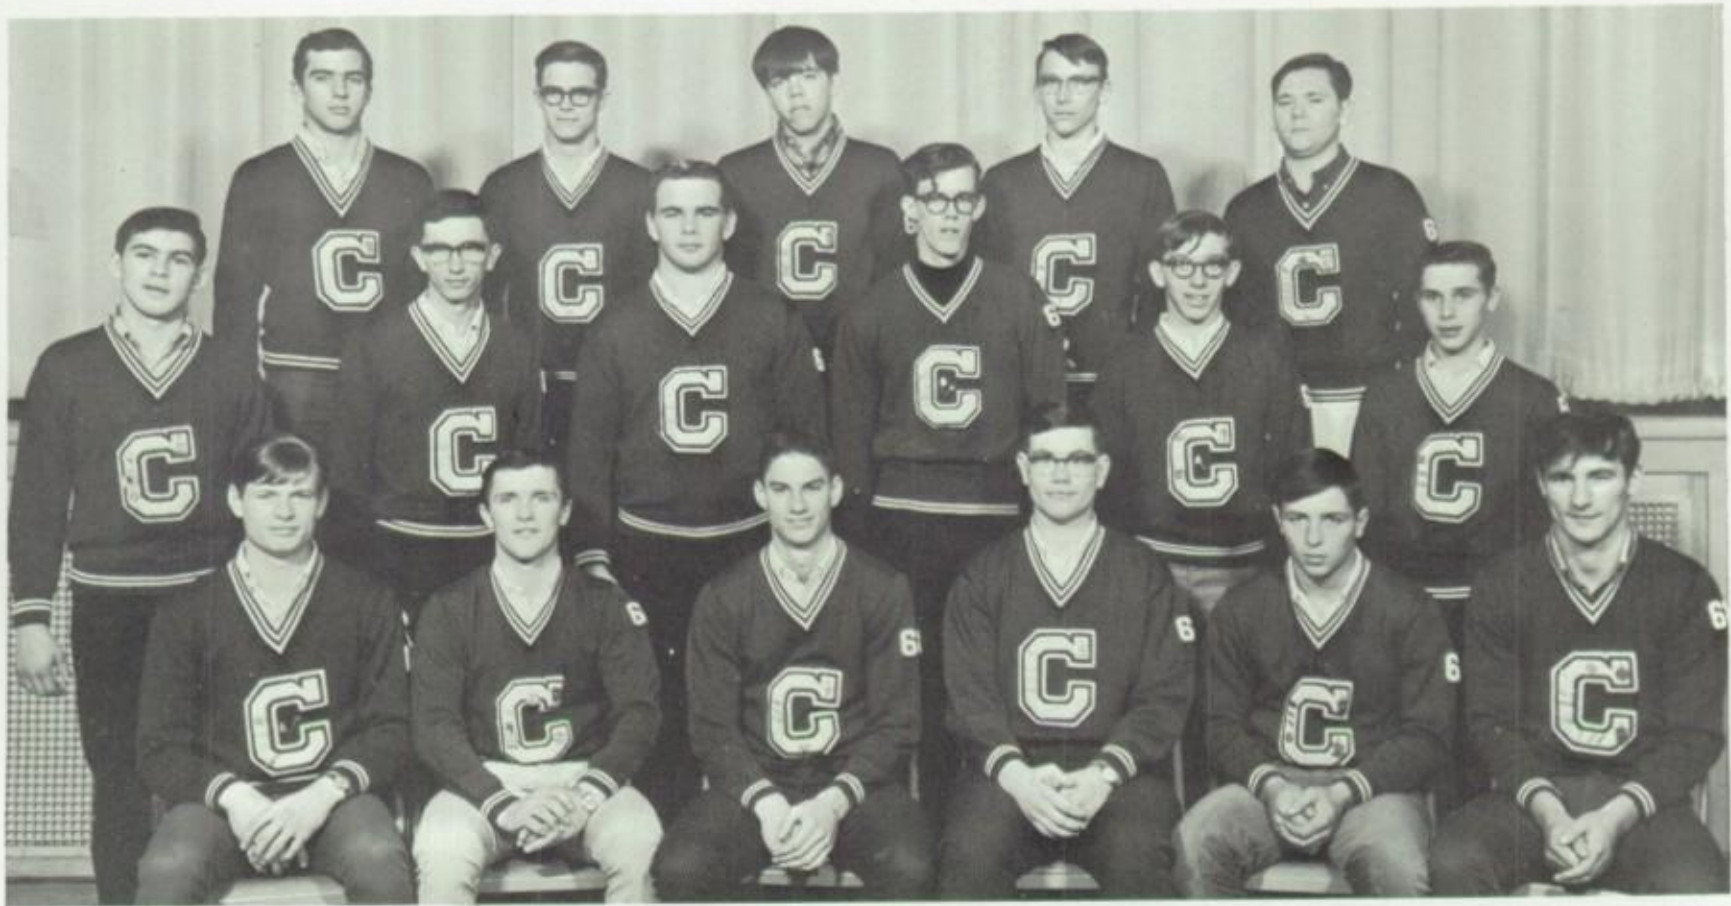

Any athlete who majored in either football, basketball, wrestling, or track was invited to enter the club. But entering wasn't that easy! At the end of the football season all initiates came to school wearing a skirt, "long johns", and other wild attire. After going through the initiation, they were officially declared members. Other important functions of the club was to buy corsages for the Mothers on Parent's Day, and buy the MVP and sportsmanship trophies. Their able advisor, Mr. Blackburn, kept the club a smooth running organization.

The cast then traveled to the regional contest at Green Bay Preble. The competition included eleven schools. The Drama Club also presented an original skit for the Christmas party and planned for a three-act play in the spring as well as an Easter presentation.

Under the advisorship of Mr. Krenek, the Coleman Chapter of Future Farmers of America proved that they were one of the more active and efficient organizations in school. As their name implies, the FFA's main responsibility was to advance agricultural interests and knowledge.

The money received from the FFA-owned ice-cream machine was used to carry on projects the year round. During the past summer, Coleman was well represented at the state FFA convention in Green Lake, Wisconsin, by its delegates. The annual faculty tea was again a success. During the winter months the chapter's basketball team "held their own" against other area FFA chapters. The reforestation project was continued with members getting trees from the conservation department to plant. The year's climax was the Parents-Son Banquet in the spring. During the banquet, all members received recognition, and outstanding members received special awards.

Dave Goddard, Eugene Frank, and Joe Piontkowski help serve Mrs. Stephenson and other teachers at the annual faculty tea.

Future Homemakers of America

Under the leadership of Theresa Lewandowski as president and Miss Zibell as advisor, the FHA had a successful year. The annual magazine sales were a bigger than ever success. Chapter mothers were selected at the installation and initiation of officers and new members.

The Future Homemakers of America sponsored many activities throughout the year for the betterment of the community, such as accepting donations for UNICEF in October and making stuffed animals for orphans at Christmas.

An "Oldie but Goodie" record hop was held featuring Mike Somns, disc jockey, spinning the records. It proved to be an interesting event.

A demonstration contest was held in February. The winners of local competition advanced on to the district contest.

Spring heralded the arrival of FHA week. The girls participated in various activities to make the school aware of the value of FHA.

Under the supervision of Mrs. Valenti, Mrs. Patenaude, and their staff of 13 students, the library was very efficiently managed. In addition to their working behind the desk, the student librarians kept the bulletin boards gaily decorated, besides keeping the books, magazines, and newspapers in order. Because of this, the students found the library an enjoyable place in which to work.

Clubs Behind the Scene

The "C" Club put up a bulletin board that really exemplified their spirit.

Work, work, work, that's all the annual staff did. Hey, not so close, Mr. Young.

Hidden deep beneath a pile of dictionaries, old yearbooks, and layout sheets, the dedicated Les Adieux staff members worked diligently to complete their assigned pages.

Taking advantage of the school facilities, photographers Dale Gross and Jan Martens printed pictures in the school dark room.

The continuous hammering of typewriters echoed the halls every Thursday night, and "We have a deadline to meet!" was a cry often heard drifting out of room 202.

Under the directions of Beth Zeitler and Vicki Martens, Co-Editors, and advisor, Mr. Young, the Les Adieux staff presented this yearbook to the students of CHS, as a living reminder of their high school days.

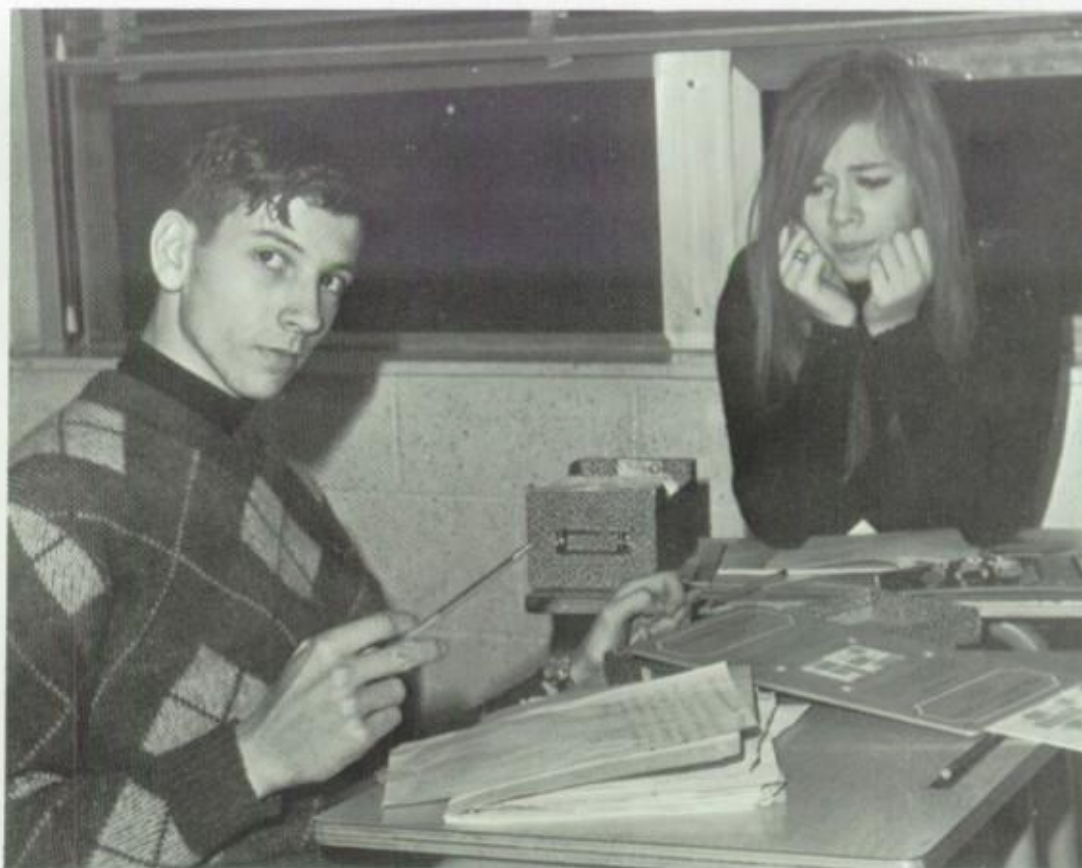

Beth Zeitler explains to the staff about last year's mistakes.

The goals of the National Honor Society were to encourage scholarship, create a desire to render service, promote worthy leadership, and develop the character of the entire student body.

Under the advisorship of Mrs. Kosnar and Mr. Stephenson, the N. H. S. sponsored many activities. A spaghetti supper was held during the fall. Mr. Leslie Stevenson, assemblyman for Florence and Marinette Counties was the guest speaker at the induction ceremonies where 13 new members were officially welcomed into the Society. The Society helped Lena High School organize their chapter of the National Honor Society for the first time, and conducted a candy sale as well as a class-pin sale. The senior members' annual trip to Chicago was again a big success. The officers for this year were Beth Zeitler, Pres.; Dale Gross, Vice-Pres.; Tessie Lewandowski, Sec.; Mary Margis, Treas.

National Honor Society's new members.

The Needlecraft Club was made up of Junior and Senior girls who were enthusiastic sewers.

The meetings were held monthly. The girls had a variety of projects, such as sewing, knitting, embroidering, crocheting, and any other projects they wished to work on.

The club gave the girls an opportunity to learn

different sewing skills, and to help each other out with problems. It was also a time for associating, conversing, and relaxing together.

Linda Durocher, President; Jane Kondro, Secretary-Treasurer; and Mary Lesperance, Recreation Chairman; led the club under the advisorship of Miss Zibell.

Accent on Leadership

The student council was a group of students selected by their respective classes. They had the power to enact and enforce rules that they believed were for the betterment of the school. Under the direction of Mr. McIlwee and Mr. Ritter, they were in charge of many important school functions. Those functions included: coordinating

Homecoming activities, arranging the school's Christmas program, distributing canned goods to needy families at Christmas, and promoting good will amongst the students. The members of student council had to maintain a "C" average. The officers selected by the club were required to maintain a "B" average.

BACK ROW: Sue Finney, Treas.; Nina Goddard, Sec. FRONT ROW: Mary Margis, Vice-Pres.; Donna Benser, Pres.

Student Council advisors, Mr. McIlwee and Mr. Ritter, helped the members plan the strategy of student government.

Chorus combined the singing talent of interested Junior girls. Practice was held every other day under the direction of Mr. Valenti. They performed at the Christmas program that was held for the students.

Providing spirited music for entertainment and backing for our athletes was the main purpose of the Pep Band. Under the direction of Mr. Valenti, the Club performed at games and at our '67 Homecoming.

Fighting Cougars Placed Second

They did it again! The tough Cougar gridiron team pulled off shocker after shocker. They were small, but they made up for their size with "guts" and a winning desire. Their goal was to win the M & O Conference Crown and even though statistics showed they didn't make it, deep down we all knew they did.

The Varsity fought all year long against overwhelming odds to get a 6-3-0 record, and second place in the conference. From their first game with Luxemburg - Casco to their trouncing of Crivitz, they showed steady improvement. Coaches Orrie Ritter, Bill Vogel, and Jerry Boerschinger were proud of their "Critters" and had reason to be.

Mr. Vogel also coached the Jay-Vee and freshman teams, which showed a lot of promising material for future varsity teams. The purpose of these teams is to gain added experience along with some fun.

We Like Our Team!

If there was one thing our basketball team didn't lack this year, it was internal fortitude. They gave every opponent a game for their life for the first thirty minutes. Unfortunately, the other team always pulled the game out of the bag in the last couple of minutes.

Led by seniors Tom Prue, Wayne Loeffler, Gary Bader, Dale Ryswyk, and coaches Robert Blackburn and Mike McIlwee, the Cougars put fear into the hearts of their adversaries. The team had everything a good team needs except height, and that's where they hurt.

The J. V. 's rolled over practically all of their opponents. Many of them saw action on the varsity squad and did an outstanding job. A good sign for the future.

Our Track Team

Up, up, and OVER!

With the added incentive given by the new warm-ups and running uniforms, the 1967 Cougar track team burned up the cinders. With head coach George Fiedorowicz and assistant coach Bill Vogel, the team placed 3rd in the eight team circuit at the M & O Relays and Conference meet, 3rd in the eight team field at the Oconto Falls Invitational, and 4th in the Sectional meet at Peshtigo. The mile relay team, consisting of A. Lesperance, B. Bittner, B. Hanne, and G. Broderick, set a new school record of 3:17, and Mark Flink, who was the school's only representative at state, won a 4th in the shot put and a 2nd in the discus. He also set a school record in the shot put with a toss of 51'11 3/4".

We Aren't Through Yet, Chief!

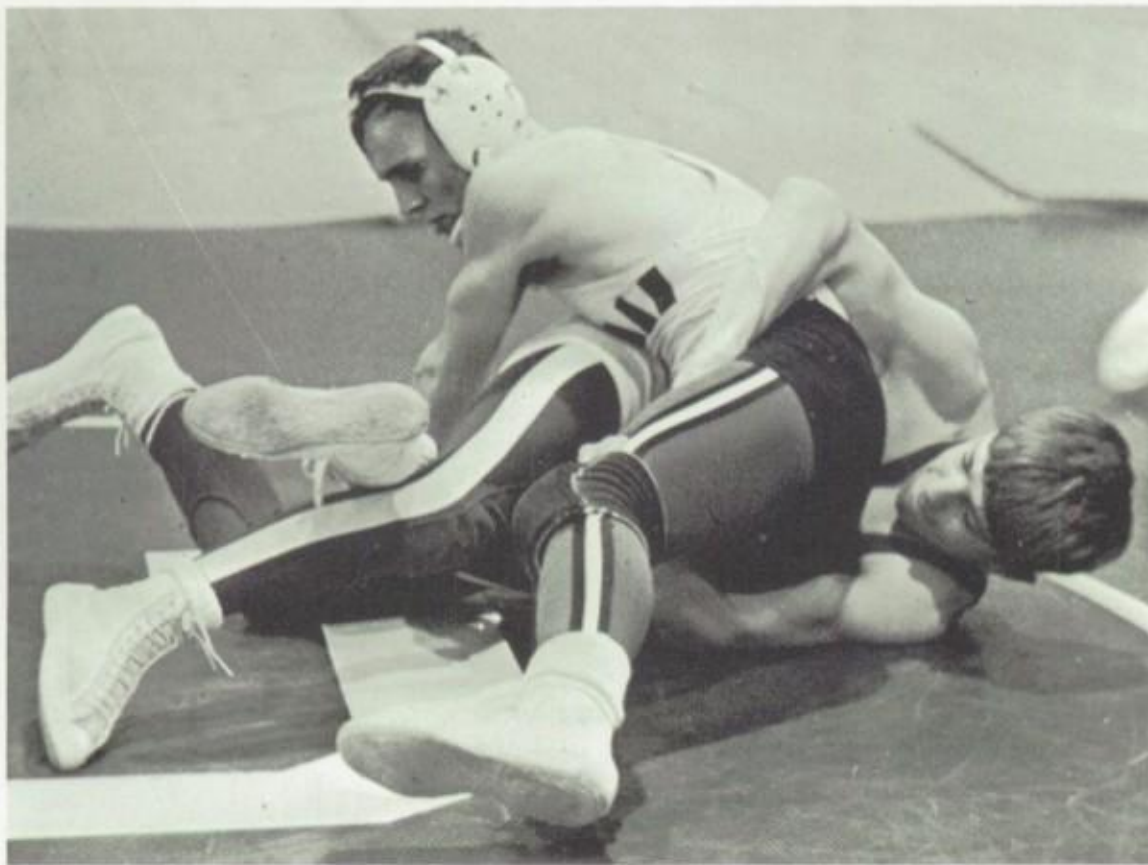

The wrestlers met with the toughest competition of their wrestling careers. The beginning of their season started with two defeats, one to the hands of the Luxemburg Bluejays and the other to the Pulaski Raiders. After the first two losses they took a first place trophy from the Milwaukee Invitationals, recapturing the admiration of the fans. The second encounter with the Bluejays resulted with a Cougar victory and the co-Champion berth in the Bayland Conference.

In the tournament action they took a first place in the Pulaski Regional, a second in the Seymour Sectional and a seven way tie for fortieth place in a tough field at state. The boys who survived the tough regional were: "Harry" Sincere, Mark Kovensky, Jerry Rouse, "Troll" Flink, Danny Bedora, and Glen Mursau. The Cougars that advanced to the state were: "Troll", Danny, Jerry, Art, and Randy.

Rookie Coach Mr. Ritter assisted Mr. Douglas in coaching this year's group of enthusiastic "grapplers".

Danny turned out the lights.

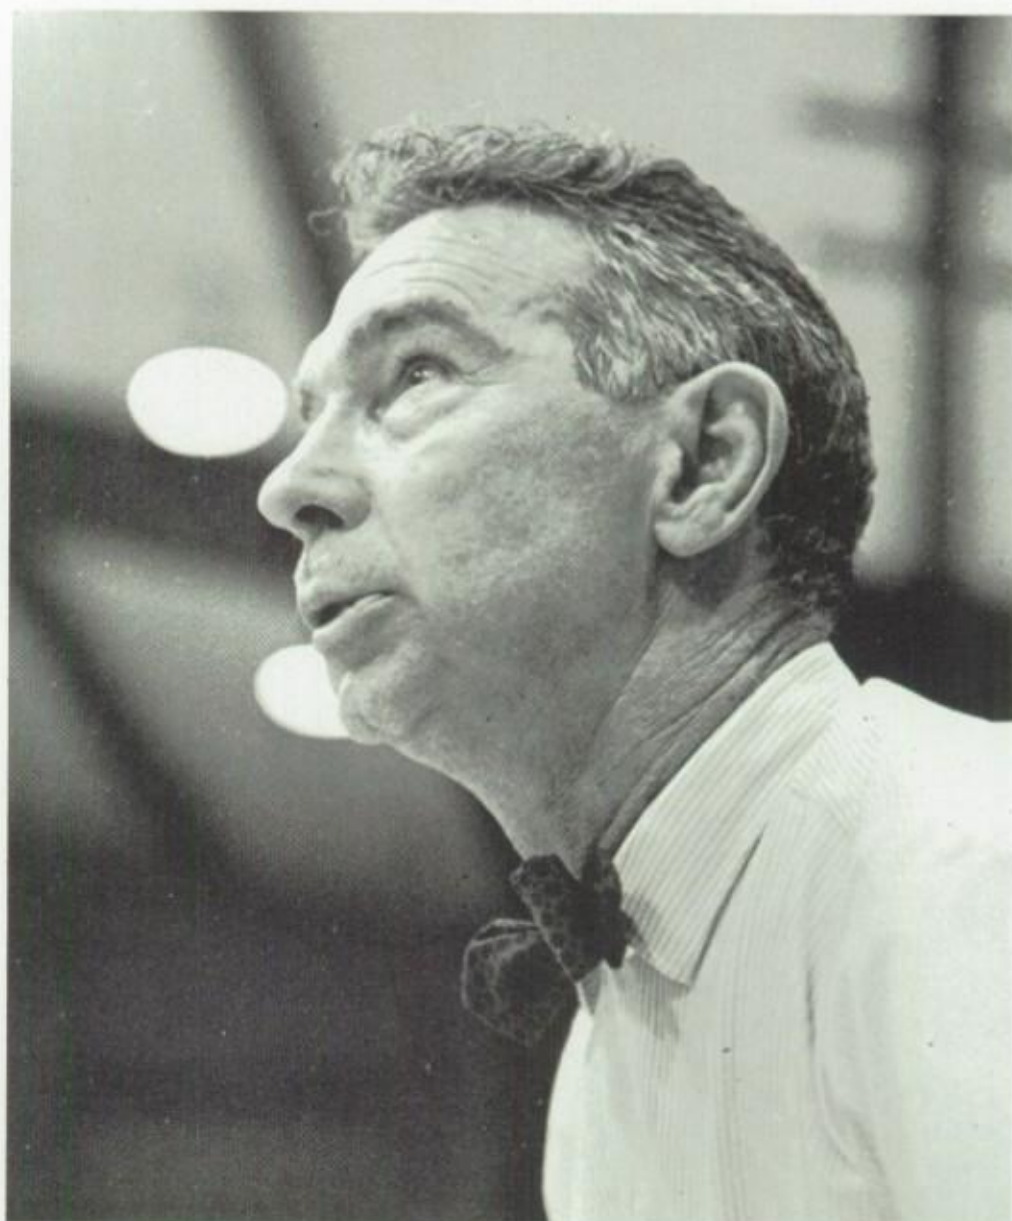

Mark untied himself.

James Douglas is undoubtedly, the dean of Wisconsin prep wrestling coaches. Due to his superior knowledge of wrestling, he and Coleman teams have built up a fantastic record--equalled by no one in any sport in the state. For example, take the Cougar's ten year record of 116 wins and 4 losses during regular season action. Also, there were five state championships picked up along the way: 1960, 1962, 1963, 1964 and 1966, plus the runner-up spot in 1959 and 1961. Mr. Douglas has coached 13 Cougars to championships in the individual weight classes. He's collected so many trophies we had trouble stuffing them into our trophy case.

All in all, the yearbook staff felt Mr. Douglas had done an outstanding job for Coleman High School.

Two eyes, a nose, a mouth to each and yet the human eye is so sensitive to subtle variations that no two people, no two expressions can ever be precisely alike--and each difference conveys meaning. To human beings, the human face is the most vitally interesting and important form in the world. In each face we read something of ourselves; we recognize our own feelings and we respond.

We Hear a Lot About Today's Problems:

If everyone believed all that they read and heard in these past few months, we could believe that we live today in an era marked by the world's worst problems. Don't you believe it!

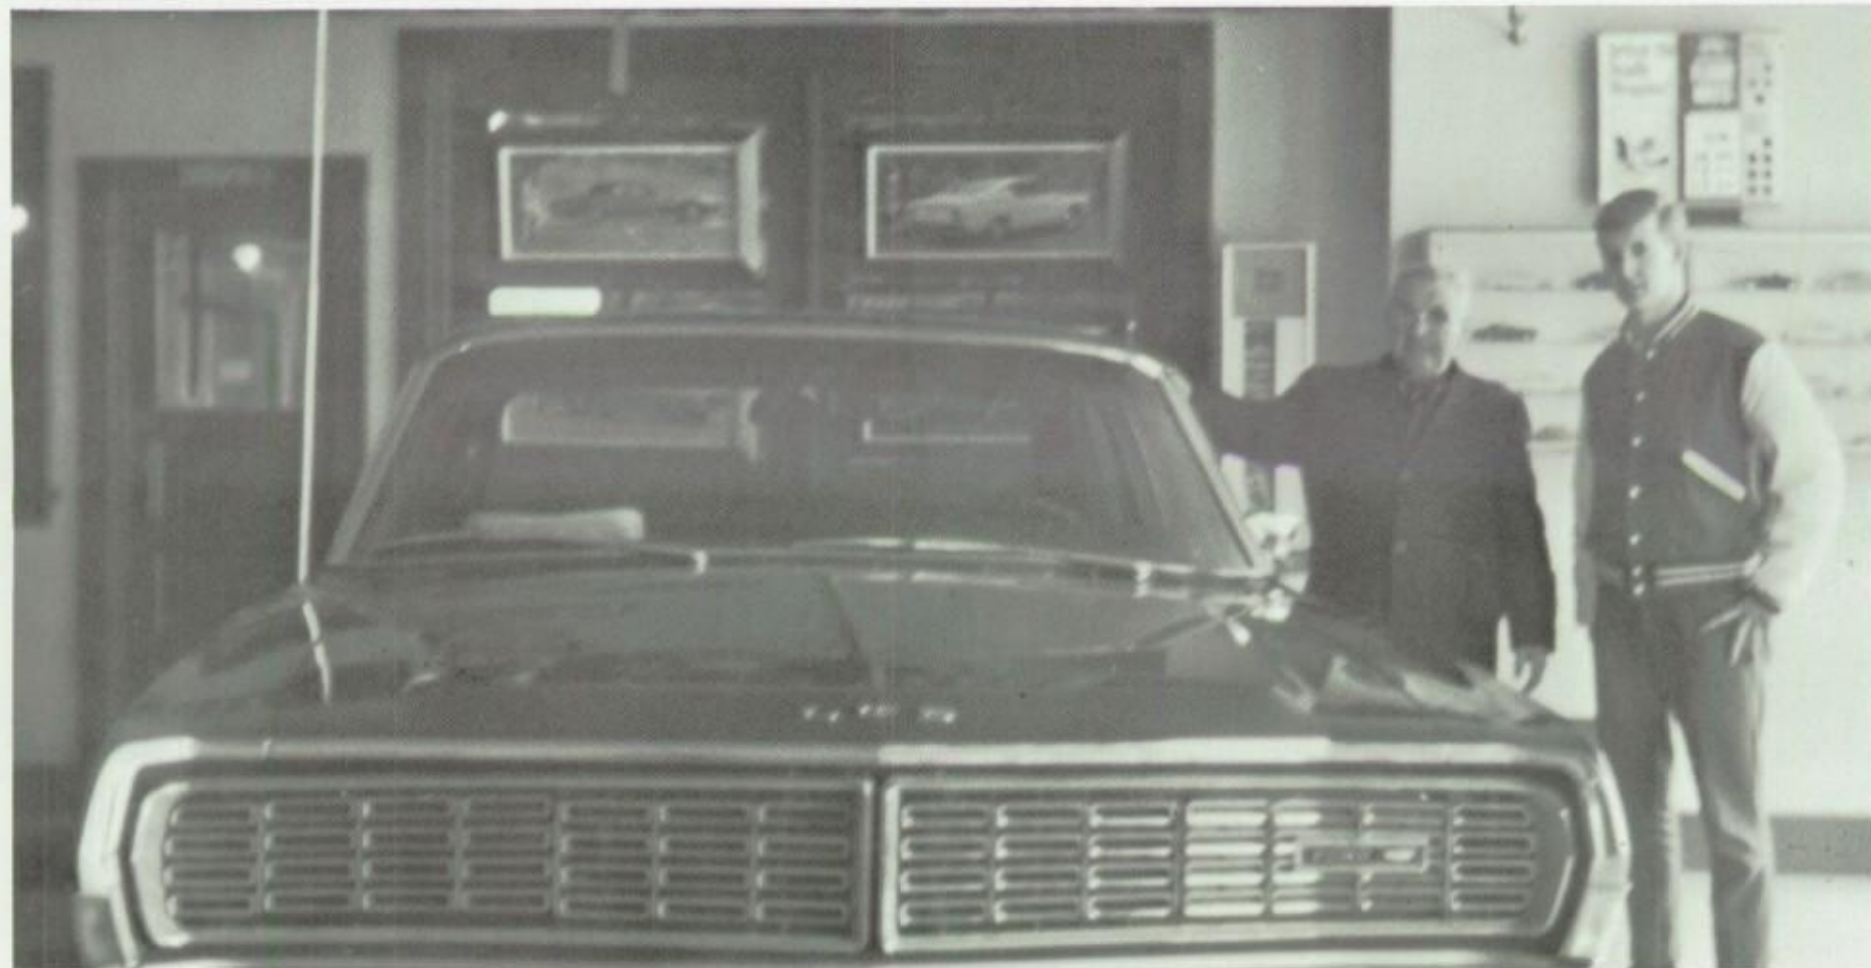

Some time in everyone's generation, there is an epidemic of calamity howling. The fact is that many of the problems that have plagued the world for centuries have either been solved or greatly alleviated. In many years past there have been a succession of problems that were publicized as too great to solve. Most of us living today have forgotten them, or were too young to know anything about them. To name a few:

- . The Confederate Army did not capture Washington.
- . The Kaiser's fleet didn't bombard and take New York.
- . The Nazi party did not establish a revolution in the United States.
- . The short skirt era of 1924, soon turned into the ankle length skirt era of the 30's.
- . The Great Depression of the 30's didn't result in a Dictatorship in this country.

It all goes to show that we have had enough native intelligence NOT to give in to all the worry warts, and enough training and brains to solve these and many real problems.

As graduating students today, isn't it something that you were born at just the right time to be among the group that will help solve today's problems? We think so! And ... to all of you ... Good Luck.

Sincerely,
Lauermans

We have to have a philosophy in which we believe that peace is positive and not merely the absence of conflicts and wars - a negative ideal. There must be just as much preparedness for peace as there is for war. And in many ways the preparations for peace are a more difficult task. Preparedness for war deals largely with tangibles - men, guns, ships, planes, money - and with tactics and strategy. Preparedness for peace deals largely with intangibles - the setting up of moral, intellectual, economic, and political forces over the whole world which will produce and hold peace.

If we are to make a lasting effort toward peace, it will be because intelligent public interest and discussion succeed in developing more and better ideas. It will be because of a better understanding of the causes of failure in the past, and the experience that can be drawn from mankind's many efforts toward the prevention of war.

"The pathway of peace is the longest and most beset with obstacles the human race has to tread; the goal may be distant, but we must press on."

Charles Evans Hughes
